

# CLI Test Document

This is a **test** of our CLI interface.

## Features

- Feature 1: Markdown parsing
- Feature 2: PDF generation
- Feature 3: Beautiful output

## Code Example

```
def hello_world():  
    print("Hello from mdproc!")  
    return "success"
```

## Table Example

Format	Status	Quality
PDF	✓	High
HTML	✓	High
DOCX	✓	High
TXT	✓	Medium

This is a blockquote to test formatting.

**End of test document.**
